

## **GUIDELINES FOR BATHROOM BREAKS – JUNIOR PLAYERS**

*All junior teams (U11) must adopt a safe procedure for team members to take bathroom breaks when attending Thomas St courts after school and of an evening. At all training sessions it is a requirement that no child attends the bathroom on their own. They should be accompanied by another team member and must always advise their coach prior to going to the toilets.*

*For the Sandy Starlets U11 team members playing on Thursday night, it is a requirement that any team member attending the bathroom must be accompanied by a nominated adult from that team. It is up to each Team Manager and/ or Coach to nominate this person prior to each game and make sure all team members are aware. All players must also notify their coach before attending the bathroom.*

*As a general reminder, children should visit the bathroom before coming to training and games.*
